

The logo for moja global, featuring the text "moja global" in white lowercase letters inside a teal circle.

moja global

# moja global = organisation

- **moja global:** Facilitate collaboration developing tools to better manage the land sector
- **FLINT:** Full Lands Integration Tool = platform managing stocks and flows [Carbon, other GHG, other]. Modules determine size of the fluxes.

# moja global = open source

- **Voluntary** collaboration of many.
- **Many Owners:** Contributors remain owners but share on condition that other share too
- **Licence:** Standard conditions for sharing accepted by all contributors (MPL 2.0)

# WHY USE OPEN SOURCE

@FUTUREFOSS  
#FUTUREFOSS

2

Competitive  
features &  
technical  
capabilities

1

Quality of  
solutions

3

Ability to  
customize & fix

SECTION 1  
STRATEGY

Creative solutions  
are generated by  
diversity

Globally expertise  
is limited,  
collaboration  
avoids duplication.

Flexible design  
makes customizing  
even easier
